CORPORATE GOVERNANCE STATEMENT

The ASX Listing Rules require the Company to prepare a corporate governance statement which discloses the extent to which the Company has followed the recommendations contained in the 3rd edition of the ASX Corporate Governance Principles and Recommendations for the period ended 31 December 2019.

Further information about the Company's corporate governance practices can be located on the Company's website at www.gxy.com. In this statement a reference to the Galaxy Annual Report is a reference to the Company's annual report for the year ended 31 December 2019 which is located on the Investor page of the Company's website at www.gxy.com.

The Company has also prepared a Sustainability Report for the year ended 31 December 2019 which is also located on the Investor page of the Company's website at www.gxy.com.

This statement was approved by the Board of Directors and is current as at 12 March 2020.

PRINCIPLE 1: LAY SOLID FOUNDATIONS FOR MANAGEMENT AND OVERSIGHT

Recommendation 1.1: A listed entity should disclose:

- (a) the respective roles and responsibilities of its board and management; and
- (b) those matters expressly reserved to the board and those delegated to management.

The Company has complied with this recommendation.

The Board has adopted a formal Board Charter that details the respective roles and responsibilities of the Board and management and those matters expressly reserved to the Board and those delegated to management. A copy of the Board Charter is available in the Corporate Governance section of the Company's website at www.gxy.com.

Recommendation 1.2: A listed entity should undertake appropriate checks before appointing a person, or putting forward to security holders a candidate for election as a director, and provide security holders with all material information in its possession relevant to a decision on whether or not to elect or re-elect a director.

The Company has complied with this recommendation.

The Company appointed Mr Alan Fitzpatrick as a Director on 16 January 2019. As part of the appointment process an independent reference checking organisation was commissioned to undertake various background checks on Mr Fitzpatrick.

Biographical and other relevant details about Mr Fitzpatrick were provided to shareholders prior to and at the Annual General Meeting at which Mr Fitzpatrick was elected.

Recommendation 1.3: A listed entity should have a written agreement with each director and senior executive setting out the terms of their appointment.

The Company has complied with this recommendation.

Each Director and each senior executive has a written agreement setting out the terms of their appointment. Key details are included in the Remuneration Report contained in the Galaxy Annual Report.

Recommendation 1.4: The company secretary of a listed entity should be accountable directly to the board, through the chair, on all matters to do with the proper functioning of the board.

The Company has complied with this recommendation.

The Board Charter provides that the Company Secretary is accountable to the Board, through the Chairman, on all governance matters.

Recommendation 1.5: A listed entity should:

- (a) have a diversity policy which includes requirements for the board or a relevant committee of the board to set measurable objectives for achieving gender diversity and to assess annually both the objectives and the entity's progress in achieving them;
- (b) disclose that policy or a summary of it; and
- (c) disclose as at the end of each reporting period the measurable objectives for achieving gender diversity set by the Board or a relevant committee of the board in accordance with the entity's diversity policy and its progress towards achieving them and either:
 - (1) the respective proportions of men and women on the board, in senior executive positions and across the whole organisation (including how the entity has defined "senior executive" for these purposes); or
 - (2) if the entity is a "relevant employer" under the Workplace Gender Equality Act, the entity's most recent "Gender Equality Indicators", as defined in and published under that Act.

The Company has complied with this recommendation.

The Company has adopted a Diversity Policy which is available in the Corporate Governance section of the Company's website at www.gxy.com.

The measurable objectives for achieving gender diversity set by the Board in accordance with the Company's Diversity Policy and its progress towards achieving them are as follows:

Objective	Target 2019	Actual 2019
1. Proportion of women Directors	15%	17%
2. Proportion of women employed in Senior Executive roles ¹	15%	8% ²
3. Proportion of women employed across the Company	25%	22%
4. Maintain nil gender pay gap for 'like for like' roles ³	Nil	Nil

Notes:

1. "Senior Executive" for the purpose of these diversity objectives is defined to mean the Chief Executive Officer and his direct reports.
2. Average over the reporting period.
3. The 'like for like' gender pay gap measures the difference in base salary over the year between female and male employees in comparable roles.

Recommendation 1.6: A listed entity should:

- (a) have and disclose a process for periodically evaluating the performance of the board, its committees and individual directors; and
- (b) disclose, in relation to each reporting period, whether a performance evaluation was undertaken in the reporting period in accordance with that process.

The Company has complied with this recommendation.

The process for periodically evaluating the performance of the Board, its Committees and individual directors is set out in the Board Charter, a copy of which is available in the Corporate Governance section of the Company's website at www.gxy.com.

In accordance with this process, Board evaluation questionnaires were provided to each member of the Board in order to assess the performance of the individual Director, the Board as a whole, Committees of the Board and the Chief Executive Officer.

The completed questionnaires were provided to the Chairman and used as part of the performance evaluations which were undertaken during the reporting period in accordance with the process described in the Board Charter.

Recommendation 1.7: A listed entity should:

- (a) have and disclose a process for periodically evaluating the performance of its senior executives; and
- (b) disclose, in relation to each reporting period, whether a performance evaluation was undertaken in the reporting period in accordance with that process.

The Company has complied with this recommendation.

The process for periodically evaluating the performance of the Company's senior executives is set out in the Board Charter, a copy of which is available in the Corporate Governance section of the Company's website at www.gxy.com.

Evaluations of senior executive performance were undertaken during the reporting period in accordance with the above process.

PRINCIPLE 2: STRUCTURE THE BOARD TO ADD VALUE**Recommendation 2.1:** The board of a listed entity should:

- (a) have a nomination committee which has at least three members, a majority of whom are independent directors and which is chaired by an independent director; and
- (b) disclose the charter of the committee, the members of the committee and, as at the end of each reporting period, the number of times the committee met throughout the period and the individual attendance of the members at those meetings.

The Company has complied with this recommendation.

A copy of the Remuneration and Nomination Committee Charter is available in the Corporate Governance section of the Company's website at www.gxy.com.

The members of the Committee, the number of meetings held during 2019 and the individual attendance of the members at those meetings are set out in the Directors' Report included in the Galaxy Annual Report.

Recommendation 2.2: A listed entity should have and disclose a board skills matrix setting out the mix of skills and diversity that the board currently has or is looking to achieve in its membership.

The Company has complied with this recommendation.

The Board, together with the Remuneration and Nomination Committee, reviews the skills, experience, expertise and diversity represented by Directors on the Board annually and determines whether the composition and mix remain appropriate for the Company's strategy. A periodic review is also undertaken by the Board to determine whether there is a need for existing Directors to undertake professional development to obtain and maintain the skills and knowledge needed to effectively perform their role as Directors.

In order to assist this review process, a skills matrix designed to assess the skill, experience, independence and diversity of the Board is circulated to each Director for completion.

The following table sets out the collective skills, attributes and experience of the Directors serving on the Board during the period.

Area	Board Skill and Experience
Executive management	Experience as a Director, CEO, CFO or other officeholder or similar in medium to large entities.
Specific industry knowledge	Senior executive, advisory or board experience in a mining or resources organisation. Senior executive responsibility for exploration or long-term board experience in a mining and resources organisation. Relevant tertiary degree or professional qualification. Senior executive experience with capital projects and/or engineering in a mining or resources environment. Broad background and experience in the lithium value chain, as well as the industrials and resources sector including exploration, mining, project development and operations.
International experience	An understanding of the complexities of operating in foreign jurisdictions. Experience in and exposure to multiple cultural, regulatory and business environments.
Accounting and finance	Senior executive experience in financial accounting and reporting, or business development or board remuneration and nomination committee experience. Relevant tertiary degree or professional qualification. Board audit committee experience. Ability to read and comprehend the Company's accounts, financial material presented to the Board, financial reporting requirements and an understanding of corporate finance.
Risk management	Ability to identify and monitor risks to which the Company is, or has the potential to be, exposed.
Experience with financial markets	Experience in corporate finance and the equity/debt or capital markets.
Investor relations	Experience in identifying and establishing relationships with shareholders, potential investors, institutions and equity analysts.
Legal and governance	Relevant tertiary degree or professional qualification. Listed entity board and/or committee experience. Experience in organisations with a strong focus on and adherence to governance standards. Experience in general corporate, mining, fiscal and labour laws and/or the ability to consider the legal requirements of the Company's business operations and transactions contemplated by the Company, across the multiple jurisdictions in which it operates.
Sustainability	Experience and knowledge of working on sustainability activities directly or as part of operational responsibility.
Diversity	Ethnicity: Australian (2), Chinese, Canadian, English, Latin American Age range: 49-70 Gender: Male (5), Female (1)

Recommendation 2.3: A listed entity should disclose:

- (a) the names of the directors considered by the board to be independent directors;
- (b) if a director has an interest, position, association or relationship of the type described in Box 2.3 but the board is of the opinion that it does not compromise the independence of the director, the nature of the interest, position, association or relationship in question and an explanation of why the board is of that opinion; and
- (c) the length of service of each director.

The Company has complied with this recommendation.

In determining a Director's independence, the Board considers those relationships which may affect independence as contained in the 3rd edition of the ASX Corporate Governance Principles and Recommendations.

In each case, the materiality of the interest, position, association or relationship is assessed to determine whether it might interfere, or might reasonably be seen to interfere, with the Director's capacity to bring an independent judgment to bear on issues before the Board and to act in the best interests of the Company and its security holders generally.

To assist in the assessment of Director independence a statement was circulated to each Director for the purposes of identifying the existence of any transactions between the Director's related parties and the Company and the impact (if any) they considered such transactions (or other factors) may have had on their independence.

The independence and length of service of each Director is as follows:

Director	Independent	Date of Appointment	Length of Service
Mr Martin Rowley	Yes	28 November 2013	6 years 4 months
Mr Anthony Tse	No	13 October 2010	9 years 5 months
Mr Peter Bacchus	Yes	3 January 2017	3 years 3 months
Ms Florencia Heredia	Yes	1 January 2018	2 years 3 months
Mr John Turner	Yes	3 January 2017	3 years 3 months
Mr Alan Fitzpatrick	Yes	16 January 2019	1 year 2 months
Mr Jian-Nan Zhang	Yes	28 November 2013	5 years 2 months

Notes:

1. Length of service is calculated up to the date of this statement.
2. Mr Tse is an Executive Director and so is not independent.
3. On 16 January 2019, Mr Jian-Nan Zhang retired as a Non-Executive Director and Mr Alan Fitzpatrick was appointed as a Non-Executive Director.
4. Mr Turner and Ms Heredia are partners of, and Mr Bacchus is Chairman of, entities which provide professional services to the Company (as set out in more detail in the Remuneration Report in the Galaxy Annual Report). The Board has determined that the value of these services is not sufficiently material to interfere with the Directors' capacity to bring an independent judgement to bear on issues before the Board and to act in the best interests of the Company and its security holders in general.

Recommendation 2.4: A majority of the board of a listed entity should be independent directors.

The Company has complied with this recommendation.

At all times during the period, and as at the date of this statement, the Board has been comprised of a majority of independent Directors.

Recommendation 2.5: The chair of the board of a listed entity should be an independent director and, in particular, should not be the same person as the CEO of the entity.

The Company has complied with this recommendation.

The Chairman, Mr Martin Rowley, is an independent Director and the Chief Executive Officer of the Company is Mr Simon Hay.

Recommendation 2.6: A listed entity should have a program for inducting new directors and provide appropriate professional development opportunities for directors to develop and maintain the skills and knowledge needed to perform their role as directors effectively.

The Company has complied with this recommendation.

The Board is responsible for providing new Directors with an induction to the Company and for providing adequate professional development opportunities for Directors and management.

The skills matrix completed by each Director during the reporting period provides an opportunity for Directors to indicate their desire to receive additional professional development or training.

PRINCIPLE 3: ACT ETHICALLY AND RESPONSIBLY

Recommendation 3.1: A listed entity should have a code of conduct for its directors, senior executives and employees and disclose that code or a summary of it.

The Company has complied with this recommendation.

Copies of the Company's Corporate Code of Conduct and Directors' Code of Conduct are available in the Corporate Governance section of the Company's website at www.gxy.com.

During the reporting period the Company adopted a Corporate Identity and Values which underpin the way the Company undertakes its business, and which guide the Company's corporate business plan and annual activities. More information on the Company's identity and values can be found in the Galaxy Annual Report and Sustainability Report.

PRINCIPLE 4: SAFEGUARD INTEGRITY IN FINANCIAL REPORTING

Recommendation 4.1: The board of a listed entity should:

- (a) have an audit committee which has at least three members, all of whom are non-executive directors and a majority of whom are independent directors and is chaired by an independent director who is not the chair of the board; and
- (b) disclose the charter of the committee, the relevant qualifications and experience of the members of the committee and, in relation to each reporting period, the number of times the committee met throughout the period and the individual attendances of the members at those meetings.

The Company has complied with this recommendation.

A copy of the Audit and Risk Committee Charter is available in the Corporate Governance section of the Company's website at www.gxy.com.

The relevant qualifications and experience of the members of the Audit and Risk Committee, the number of times the Committee met during 2019 and the individual attendances of the members at those meetings are set out in the Directors' Report included in the Galaxy Annual Report.

Recommendation 4.2: The board of a listed entity should, before it approves the entity's financial statements for a financial period, receive from its CEO and CFO a declaration that, in their opinion, the financial records of the entity have been properly maintained and that the financial statements comply with the appropriate accounting standards and give a true and fair view of the financial position and performance of the entity and that the opinion has been formed on the basis of a sound system of risk management and internal control which is operating effectively.

The Company has complied with this recommendation.

Recommendation 4.3: A listed entity that has an AGM should ensure that its external auditor attends its AGM and is available to answer questions from security holders relevant to the audit.

The Company has complied with this recommendation.

The Company's external auditor attended the 2019 Annual General Meeting and was available to answer questions from security holders relevant to the audit, including questions relating to the conduct of the audit, the preparation and content of the auditor's report, the accounting policies adopted by the Company in the preparation of its financial statements and the independence of the auditor in relation to the conduct of the audit.

PRINCIPLE 5: MAKE TIMELY AND BALANCED DISCLOSURE

Recommendation 5.1: A listed entity should have a written policy for complying with its continuous disclosure obligations under the ASX Listing Rules and disclose that policy or a summary of it.

The Company has complied with this recommendation.

A copy of the Continuous Disclosure Policy is available in the Corporate Governance section of the Company's website at www.gxy.com.

PRINCIPLE 6: RESPECT THE RIGHTS OF SHAREHOLDERS

Recommendation 6.1: A listed entity should provide information about itself and its governance to investors via its website.

The Company has complied with this recommendation.

The Company's website at www.gxy.com contains information about the Company's projects, Directors and senior management and the Company's corporate governance practices, policies and charters. ASX announcements are also available on the website following release by the ASX.

Recommendation 6.2: A listed entity should design and implement an investor relations program to facilitate effective two-way communication with investors.

The Company has complied with this recommendation.

The Company's Investor Relations Manager is the Company's main contact for existing and potential investors. The Investor Relations Manager is available to discuss the Company's activities when requested, together with the Chief Executive Officer, other Directors or senior executives as required. In addition to ASX announcements made in accordance with its continuous disclosure obligations, the Company from time to time prepares and releases investor briefing presentations about the Company.

The Company hosted a strategy briefing day in November 2019 which provided retail investors with an opportunity to hear the Company's strategy, meet the Company's management and ask questions. The strategy day was also made available via a webcast.

The Company has a Corporate Development and Investor Relations team whose roles encompass dealing with investor enquires and communicating with shareholders, potential investors, brokers and institutions.

Contact with the Company can be made via an email address and a phone number provided on the Company's website.

Recommendation 6.3: A listed entity should disclose the policies and processes it has in place to facilitate and encourage participation at meetings of security holders.

The Company has complied with this recommendation.

The Company encourages participation of shareholders at its Annual General Meeting each year.

Shareholders are encouraged to attend in person or by proxy. At each Annual General Meeting the Chairman allows a reasonable opportunity for shareholders to ask questions of the Board and the external auditors.

Copies of all notices of meetings and explanatory material are made available via the Company's website at www.gxy.com as soon as they have been released by the ASX.

Recommendation 6.4: A listed entity should give security holders the option to receive communications from, and send communications to, the entity and its security registry electronically.

The Company has complied with this recommendation.

Contact with the Company can be made via the phone number and the email address provided on the website. The Company also has a facility for people to register to receive Company announcements via email.

The Company's share register provides a facility whereby investors can provide email addresses to receive correspondence from the Company electronically and investors can contact the share register via telephone, facsimile or email.

PRINCIPLE 7: RECOGNISE AND MANAGE RISK

Recommendation 7.1: The board of a listed entity should:

- (a) have a committee to oversee risk which has at least three members, a majority of whom are independent director and which is chaired by an independent director; and
- (b) disclose the charter of the committee, the members of the committee and as at the end of each reporting period the number of times the committee met throughout the period and the individual attendances of the members at those meetings.

The Company has complied with this recommendation.

A copy of the Audit and Risk Committee Charter is available in the Corporate Governance section of the Company's website at www.gxy.com.

The members of the Committee, the number of meetings held during 2019 and the individual attendance of the members at those meetings are set out in the Directors' Report included in the Galaxy Annual Report.

Recommendation 7.2: The board or a committee of the board should:

- (a) review the entity's risk management framework at least annually to satisfy itself that it continues to be sound; and
- (b) disclose, in relation to each reporting period, whether such a review has taken place.

The Company has complied with this recommendation.

The Board and the Audit and Risk Committee conducted a review of the Company's risk management framework during the period.

The Board has adopted a Risk Management Policy which is available in the Corporate Governance section of the Company's website at www.gxy.com. The Company has also implemented a Risk Management Framework for the management and oversight of material risks and internal control.

Recommendation 7.3: A listed entity should disclose:

- (a) if it has an internal audit function, how the function is structured and what role it performs; or
- (b) if it does not have an internal audit function, that fact and the processes it employs for evaluating and continually improving the effectiveness of its risk management and internal control processes.

The Company has complied with this recommendation.

The Company does not currently have an internal audit function.

Under the Board Charter the Board is responsible for setting the Company's risk appetite. It is also responsible for reviewing and satisfying itself that Galaxy's systems of internal compliance and control, risk management framework (for both financial and non-financial risk), governance practices and legal compliance are appropriate, and for ensuring the integrity and effectiveness of those systems and practices.

The Board has delegated to the Audit and Risk Committee the primary responsibility for ensuring that risks are identified and monitored. The Chief Executive Officer is accountable to the Board, through the Audit and Risk Committee for ensuring that the risk management system is maintained in accordance with the Risk Management Policy, the requirements of the ASX Corporate Governance Principles and relevant regulatory requirements and is ultimately responsible for the management of risks within the business. The Chief Executive Officer will be required to report to the Board, through the Audit and Risk Committee, on a regular basis, but at least annually, as to whether the risk management framework is operating effectively in all material respects.

The Company's Risk Management Policy communicates the Company's risk management expectations which are embedded in the structured Risk Management Framework to be implemented across all Galaxy operations. This approach to risk management will:

- improve the quality and consistency of decision making and risk tolerance;
- manage risk exposures to tolerable level with regard to financial sustainability and taking account of shareholder expectations;
- enhance the effectiveness and efficiency of Galaxy's activities;
- encourages pro-active rather than reactive management;
- minimise "surprises" through the prompt communication of risk knowledge; and
- safeguard Galaxy's assets, people, finances and the environment.

The Company's Risk Management Framework is intended to ensure:

- the structured identification of the material business risks;
- management of those material business risks; and
- internal reporting to the responsible person and to the Board on those material business risks for ultimate acceptance of the risk exposure.

The primary objectives of the Company's Risk Management Framework are to:

- Integrate effective risk management into the culture of Galaxy and ensure that risk understanding, and risk tolerance are an integral part of all its decision-making processes.
- Provide structured processes for identifying, understanding and managing risks (threats and opportunities) so as to:
 - maximise opportunities for business growth and diversification while minimising reasonably foreseeable uncertainties, disruption to operations, harm to people and damage to the environment and property;
 - proactively ensure an accurate risk understanding (including identification of the risk of lost opportunities) is developed and maintained in each area of the business and that this understanding is used to direct business activities and decision-making processes;
 - determine priorities (in terms of relative risk levels) and allocating resources effectively and efficiently;

- assure activities are undertaken within approved risk tolerance levels via the effective management of controls and through the testing and reporting with sufficient oversight to protect the profitability, assets and reputation of Galaxy;
 - demonstrate due diligence in discharging legal and regulatory obligations and meeting the expectations and standards of external stakeholders; and
 - ensure regular reports about: risk management activities; the most significant risks; and the escalation of failures in mitigation measures are provided to the relevant levels of management.
- Provide sufficient resources to develop and deliver on risk management plans across the organisation.
 - Recognise and reward risk-aware behaviour, proactively correct inadequate risk management practices and ensure the quality of risk management processes are consistent with the significance of decisions being made.
 - Foster an environment where employees and contractors assume responsibility for managing risks and have the confidence to do so, based on the training and empowerment provided by the organisation.

Recommendation 7.4: A listed entity should disclose whether it has any material exposure to economic, environmental and social sustainability risks and, if it does, how it manages or intends to manage those risks.

The Company has complied with this recommendation.

The Board Health, Safety, Environment and Community ("HSEC") Committee is tasked with overseeing HSEC risks and compliance within the Company.

As part of the Company's risk management process it has identified material economic, environmental and social sustainability risks. These include:

- Economic risks – movements in the lithium price; material delays in the execution of major projects; counterparty risk (banking and contractor); and the inability to raise funds to develop major projects.
- Environmental risks – failure to obtain and comply with applicable regulations, licences, permits and approvals; the occurrence of a major environmental incident at one of the Company's sites; and climate change and emission related risks.
- Social sustainability risks – the occurrence of a major safety incident or fatality; loss of social licence to operate; failure to comply with relevant legislative requirements; and fraud and corruption.

The Company's Risk Management Framework described above will be utilised to provide structured processes for identifying, understanding and managing risks such as these.

The Company has senior HSE and sustainability personnel who are responsible for identifying and managing health, safety, environmental and sustainability risks across the different jurisdictions in which the Company operates.

The Company currently works closely and collaboratively with the communities located near its operations, including implementing various initiatives to improve the living standards and employment opportunities of the members of those local communities.

As part of the Company's endeavours to strengthen its sustainability performance and transparency it has this year produced its first stand-alone Sustainability Report. The report details the Company's sustainability approach, key material issues and performance for the 12-month period ended 31 December 2019. A copy of the Sustainability Report is available on the Company's website at www.gxy.com.

PRINCIPLE 8: REMUNERATE FAIRLY AND RESPONSIBLY

Recommendation 8.1: The board of a listed entity should:

- (a) have a remuneration committee which has at least three members, a majority of whom are independent directors and which is chaired by an independent director; and
- (b) disclose the charter of the committee, the members of the committee and as at the end of each reporting period the number of times the committee met throughout the period and the individual attendances of members at those meetings.

The Company has complied with this recommendation.

A copy of the Remuneration and Nomination Committee Charter is available in the Corporate Governance section of the Company's website at www.gxy.com.

The members of the Committee, the number of meetings held during 2019 and the individual attendance of the members at those meetings are set out in the Directors' Report included in the Galaxy Annual Report.

Recommendation 8.2: A listed entity should separately disclose its policies and practices regarding the remuneration of non-executive directors and the remuneration of executive directors and other senior executives.

The Company has complied with this recommendation.

Non-Executive Directors are paid a fixed annual fee for their service to the Company.

The Executive Director is paid a fixed annual fee for his service to the Company and may also be entitled to a cash bonus based on satisfactory performance where approved by the Board.

Senior executives of the Company receive fixed remuneration comprising a base salary, superannuation and other fixed benefits based on the terms of their employment agreements with the Company. They may also be entitled to a cash bonus based on satisfactory performance where approved by the Board.

The Executive Director and senior executives may also receive equity based remuneration. Shareholder approval is required prior to the award of any equity based remuneration to the Executive Director.

Further details on the Company's policies and practices regarding the remuneration of Directors and senior executives, together with details of Director and senior executive remuneration during the reporting period, are provided in the Remuneration Report included in the Galaxy Annual Report.

Recommendation 8.3: A listed entity which has an equity-based remuneration scheme should:

- (a) have a policy on whether participants are permitted to enter into transactions (whether through the use of derivatives or otherwise) which limit the economic risk of participating in the scheme; and
- (b) disclose that policy or a summary of it.

The Company has complied with this recommendation.

The Company has a Long-Term Incentive Plan and an Incentive Award Plan which entitle participants to equity-based remuneration. Under the Company's Share Trading Policy, a designated person is not permitted to enter into transactions in products associated with the Company's securities which operate to limit the economic risk of their security holding in the Company over unvested entitlements (e.g. hedging arrangements).

A copy of the Company's Share Trading Policy is available in the Corporate Governance section of the Company's website at www.gxy.com.
